Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Telesin

Waterproof Protective Bag Telesin for Sports Cameras (GP-PRC-278-02)

Description

The TELESIN protective bag has been created with the utmost care, and its modern design will appeal to even the most demanding users. You do not have to worry about scratches on your equipment, as the interior is very soft. Moreover, its casing exhibits incredible hardness, which protects the devices inside from crushing. It also has an IPX4 waterproof rating, making it resistant to splashes and rainy weather. For greater carrying comfort, it is equipped with a movable handle.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Instructions

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another specialist.
