Chest Strap Telesin (GP-UCS-001)

Telesin · EAN 6974944461422

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

TELESIN Chest Mount Strap for Sports Cameras / DJI Osmo Action

Description

Capture even better shots during various sports activities or outdoor adventures with the TELESIN Chest Mount Strap. It's the perfect solution for achieving stable and exciting recordings. Whether you're an extreme sports enthusiast, a traveler, or simply love to capture beautiful moments, this strap will provide unforgettable experiences.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product.

Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service

(email: hurt@innpro.pl, website: https://innpro.pl/) or another specialist.
