Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Brand: Baseus

USB to Lightning Cable Baseus Crystal Shine, 2.4A, 1.2m

Description

This model of cable is extremely functional and stylish. Additionally, using it is very convenient. The product is also very durable and safe. These qualities consist of several aspects. One of them is fast and safe charging. This has been achieved through a new model of the core, galvanized reinforcement, four wires, and a power of 2.4 A.

The cable also features temperature control. It allows simultaneous charging and data transfer. It is durable due to the built-in fabric, reinforced connector, and the ability to withstand plugging and unplugging up to 3000 and 10000 times. Additionally, the cable is stylish thanks to the material and glossy finish.

Intended Use

It is intended for indoor use only. Using the device outdoors is not permitted. Contact with moisture, e.g., in the bathroom, etc., must be unconditionally avoided. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Tips

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause

damage.

6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If there are any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Operation:

1. Connect the cable to the charger/laptop.

2. Connect the cable to the mobile device.

Manufacturer: SHENZHEN BASEUS TECHNOLOGY CO., LTD

Address: 1st Floor, Building B, Baseus Intelligence Park, No.2008, Xuegang Rd, Gangtou Community, Bantian Street, Longgang District, Shenzhen

ENVIRONMENTAL PROTECTION

Used electronic equipment marked in accordance with the European Union directive must not be disposed of together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The collection system for used equipment complies with locally applicable environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, waste management facility, or the store where the product was purchased. The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning safety, health protection, and environmental protection, identifying hazards that should be detected and eliminated.
