Baseus Wireless Adapter, BA07

User Manual

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

You must read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation or safety of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office or another specialist.

Baseus BA07 Wireless Adapter (Black)

The Baseus wireless adapter provides faster data transmission and a stable connection up to 20 m thanks to the 5.3 chip. It supports Plug and Play functionality and is widely compatible with devices equipped with USB-A ports. It allows connection of up to 5 devices simultaneously and offers high-resolution Hi-Fi sound.

Reliable Connection

The adapter is equipped with a wireless 5.3 chip that ensures a reliable connection up to 20 m. The device offers a broadband transmission speed of 16 Mbps. What does this mean in practice? It takes just a few seconds to transfer data and files. It also provides excellent synchronization of audio and video. It is highly resistant to interference, so you do not have to worry about delays and interruptions in transmission.

Connect up to 5 Devices

The Baseus adapter is widely compatible and allows connection of up to 5 devices simultaneously, such as wireless headphones, speakers, keyboards, mice, phones, tablets

or game controllers. With Plug and Play functionality, you do not need to install additional drivers – the adapter works immediately upon connection to devices with Windows 8.1, 10, and 11. Enjoy convenience and flexibility!

Environmental Protection

Waste electrical and electronic equipment marked in accordance with the European Union directive must not be placed together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The waste collection system complies with locally applicable environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, waste management facility, or the store where the product was purchased. The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning safety, health protection, and environmental protection, identifying hazards that should be detected and eliminated.

Detailed information on the distributor/manufacturer warranty conditions is available at the website <https://serwis.innpro.pl/gwarancja>

The product should be regularly maintained (cleaned) by the user or through specialized service points at the user's cost and responsibility. If there is no information about necessary periodic or service maintenance actions in the user manual, the user should regularly, at least once a week, assess any deviation of the product's physical condition from that of a physically new product. If any deviation is detected or noted, urgent maintenance (cleaning) or servicing steps should be taken. Failure to properly maintain (clean) and respond upon detection of a deviation may lead to permanent damage to the product. The warranty provider is not responsible for damages resulting from negligence.
