Baseus Ψηφιακή Γραφίδα Smooth Writing 2 Active (Λευκό)

baseus · EAN 6932172624538

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Baseus
Baseus Smooth Writing 2 Active Stylus

Description
Unleash your creativity and draw like a professional! The Baseus stylus allows you to comfortably operate your iPad and lets you draw and write as if on real paper. The product is fully compatible with most iPads, features a sturdy construction, and supports magnetic charging. You can customize its functionality to your needs — the stylus offers as many as 14 setting functions. It is very precise and works without delays, and once detected, the screen automatically stops responding to your hand, allowing you to write and draw freely. The package includes a replaceable tip.

Intended use
It is intended for indoor use only. Using the device outdoors is not permitted. You must unconditionally avoid contact with moisture, e.g., in the bathroom, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety usage instructions
You must read and follow the safety instructions contained in the manual.
1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high
humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning
properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause
damage.
6. If there are any doubts regarding the operation, safety, or connection of the product,
consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our
customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another
specialist.

ENVIRONMENTAL PROTECTION

Waste electrical and electronic equipment marked in accordance with the European Union directive must not be placed together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health.
The system
for collecting
waste
equipment
is in accordance
with locally
applicable
environmental
protection regulations
regarding waste disposal.
Detailed information on this can be obtained from the municipal office, waste management facility, or the store where the product was purchased.

The product meets the requirements of the so-called New Approach directives of the
European Union (EU) concerning issues related to user safety, health protection, and
environmental protection, specifying hazards that should be detected and eliminated.
