User manual

Baseus FastJoy 1300Mbps WiFi Adapter

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), stop using it and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation, safety, or connecting the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Weight: Approximately 100g (without packaging)

Operating mode: NIC mode and hotspot mode

Operating system: Windows 7-11, Linux 2.6.24-5.11, MacOS 10.11-10.15

ENVIRONMENTAL PROTECTION

Waste electrical and electronic equipment marked in accordance with the European Union directive must not be disposed of with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The waste collection system complies with locally applicable environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, waste management facility, or the store where the product was purchased.

The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning safety, health protection, and environmental protection, which specify hazards that should be detected and eliminated.
