Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Baseus

Baseus Steel Cannon Car Vent Mount (black)

Description

The Baseus car mount for the air vent guarantees a stable and secure grip for your phone. With it, you can conveniently use navigation or listen to your favorite songs while driving. The ability to rotate the mount 360° gives you the freedom you need, and the width adjustment range of 55-84 mm ensures compatibility with most smartphones.

Intended use

It is intended for indoor use only. Using the device outdoors is not allowed. You must unconditionally avoid contact with moisture, e.g., in the bathroom, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety usage instructions.

Please read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office or another specialist.
