
Baseus Καλώδιο USB σε Lightning Cafule 1.5A 2m (Μαύρο/Κόκκινο)

baseus · EAN 6953156275027

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Baseus

Lightning USB Cable Baseus Cafule 1.5A 2m (black-red)

Description

The product is used to connect the device to the port specified in the product specifications.

Intended use

It is intended for indoor use only. Using the device outdoors is not permitted. Contact with moisture, e.g., in the bathroom, must be unconditionally avoided. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety usage instructions.

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If there are any questions not answered in this manual, please contact our customer service office or another specialist.

Operation:

1. Connect the cable to the charger/laptop
2. Connect the cable to the mobile device

Material: Nylon, Aluminum

Connectors: USB, Lightning

Maximum Transfer: 480 Mbps

Color: Red-Red

Length: 2 meters
Output Current: 1.5 A

ENVIRONMENTAL PROTECTION

Used electronic equipment marked in accordance with the European Union directive must not be disposed of with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health.

The system for collecting used equipment complies with locally applicable environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, waste management facility, or the store where the product was purchased.

The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning safety, health protection, and environmental protection, which identify hazards that should be detected and eliminated.
