Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

## User Manual

### Ear Endoscope Tip Set Bebird R1/M9s/T15/D3 Pro

#### Description

The Bebird ear endoscope tip set is more than just a regular ear cleaning tool. It is an intelligent, multifunctional device that allows for thorough and safe observation not only of the ear canal but also of the nose and oral cavity. With easy installation and synchronization with your phone or tablet, you can quickly select the appropriate tip for the nose, gently insert it, and conduct a visual inspection, ensuring full control over your health and that of your loved ones.

#### Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. The safety instructions contained in the manual must be read and followed.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: [hurt@innpro.pl](mailto:hurt@innpro.pl), website: <https://innpro.pl/>) or another specialist.
