Product Safty Information Before using the product please read this user manual carefully 1 . Keep the device dry. Rainwater, humidity, and all types of liquids or moisture can contain minerals that corrode electro circuits. If the device gets wet, dry it. 2 . While charging, it is a normal phenomenon if the sensor area of the charging dock generates heat. If the temperature is higher than 50°C, the charging process will be terminated automatically. After the mobile is fully charged, the temperature will gradually return to normal. 3 .While charging, the charging process will be terminated automatically if there over-voltage, over-current or over-temperature is occurred. When the situations are backed to normal, the charging process will continue again. 4 . Do not disassemble, repair, transformation. Warning Please follow the above safety instructions, otherwise it will cause fire, electric shock, damage or other damage 04	Warrant Card Service PRODUCT CUSTOMER NAME DATE OF SALE WARRANTY PERIOD 05	Thank You For Your Smart Choice

Product Battery Specifications

Feature	Value
Product Code	powerbank Blitzwolf BW-P22 22,5w 20000mah
EAN Code	5907085525181
Battery Category	Portable battery
Battery Type	Portable lithium batteries (other than button cell)
Battery weight net (kg)	0.1765
Rated capacity (mAh)	10000
