User Manual

Cycplus Z1 Bicycle Computer Mount

Description

The Cycplus Z1 mount allows for quick and stable installation of a bicycle computer on the bike's handlebars. It is made from high-quality materials, making it not only very durable but also ensuring the safety and shock resistance of the device placed on it. The accessory is very easy to install. The mount fits handlebars with a diameter of up to 31.8 mm and is compatible with most bicycle computers from well-known brands.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Tips

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
