User Manual

Cycplus Z3 Bicycle Computer Mount

Description

The Cycplus Z3 mount allows for stable installation of a bicycle computer on the handlebars. It is made of 6061 aluminum alloy and fiberglass-reinforced nylon, and its weight is only about 27 g. Thanks to its thoughtful design, it allows for comfortable data reading and features wide compatibility. Additionally, you have two mounting points available for accessories – for example, a sports camera or lighting.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
