User Manual

Cycplus Z4 Bicycle Computer Mount

Description

Cycplus Z4 is a lightweight and durable bicycle computer mount with a Garmin standard attachment, designed for handlebars with a diameter of 31.8 mm. Made from nylon reinforced with fiberglass, it weighs only 44 g, and its extended 58 mm design allows for comfortable use with larger bicycle computers. Below the mount is a standard GoPro adapter, which enables the attachment of a compatible action camera or light. There is also the possibility of simultaneously mounting both accessories using the additional Cycplus ZD1 extension adapter (sold separately). Rubber pads protect the handlebars from scratches, and stainless steel screws ensure durability and corrosion resistance.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product from reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
