User Manual

ECOVACS Multi-Functional Cleaning Tool for all DEEBOT

Description

The ECOVACS Multi-Functional Cleaning Tool DCT010002 facilitates regular maintenance of DEEBOT robotic vacuums. On one side, it features a covered stainless steel blade that allows for quick cutting of hair, fur, and fibers wrapped around the main brush and side brushes. Its design enables safe use and reduces the risk of finger injuries. Additionally, there is dense nylon bristles available, ideal for removing dust from the filters, debris container, and sensors of the device. The ergonomic handle ensures comfortable operation, and the compact dimensions allow the tool to be stored in the designated space under the robot's cover, keeping it always within reach.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our

customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification:

Manufacturer: ECOVACS

Model: DCT010002

Material: ABS plastic + stainless steel blade

Functions: Cutting hair and removing dust

Compatibility: All ECOVACS DEEBOT robotic vacuum models

Manufacturer:

Ecovacs Home Service Robotics Co, Ltd

518 Songwei Rd, Wusongijang Industry Park,
