User Manual

Flextail Flex Bucket 20 l

Description

The Flextail Flex Bucket is a collapsible, self-supporting outdoor bucket with a capacity of 20 l, which allows for convenient transportation and use of water in the field. The double-layer PVC construction maintains its shape when filled and remains leak-proof even at high volumes, making the product suitable as a mobile tank for camping or outdoor use. The bucket can be folded flat, taking up minimal space in a backpack, bag, or camping luggage. It is a practical piece of equipment for outdoor and travel applications.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product to prevent reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
