Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Flextail Zero Mattress R05 Mummy L

Description

Flextail Zero Mattress R05 Mummy L is an ultralight, high-quality inflatable mattress designed for demanding outdoor enthusiasts. With an R-value of 6.0, it provides excellent insulation from cold ground and sleeping comfort even at temperatures down to -18°C (comfort) and -26°C (limit). Its ergonomic mummy shape, thickness of about 10 cm, multi-layer insulation, and durable 20D Ripstop Nylon material with a TPU coating make the mattress a combination of lightness, durability, and excellent thermal insulation. It is a reliable choice for trekking, camping, mountain expeditions, and winter outdoor stays.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
