User Manual

Flextail EZYPACK Compression Cube

Description

The Flextail EZYPACK Compression Cube is a travel compression organizer that significantly reduces the volume of clothing when packing. The design allows for air to be sucked out of the bag, enabling clothing to take up to 85% less space in the suitcase. This solution increases luggage space without changing the size of the suitcase.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product to prevent reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
