

User Manual

Flextail Zero Mattress R05 Regular L Inflatable Mattress

Description

The Flextail Zero Mattress R05 Regular L is a modern inflatable mattress designed for discerning outdoor enthusiasts. It combines high thermal insulation (R-value 5.6), a comfortable thickness of up to 10 cm, a lightweight trekking design, and an advanced 7-layer insulation structure. Thanks to its durable 20D Ripstop Nylon fabric with a TPU coating, ergonomic U-shaped air chambers, and effective aluminum insulation, the mattress ensures a comfortable night's sleep even in challenging terrain. The Regular model offers a full, rectangular sleeping surface, making it ideal for those who value maximum space and stability when sleeping in a tent, on treks, or while camping year-round.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose a hazard. Read the user manual carefully and keep it for future reference. Be sure to read and follow the safety instructions contained in the manual.

1. This product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, severe vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or not functioning properly), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If you have any questions regarding operation or safety, please consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service department
(email: hurt@innpro.pl , website: <https://innpro.pl/>) or another specialist.
