Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Flytec Transport Bag

Description

The practical and lightweight Flytec transport bag is a convenient solution for storing and carrying bait boats. With dimensions of 60 × 27 × 23 cm, it provides ample internal space – easily accommodating various models. At the same time, the product weighs only 450 g, making it easy to transport. The foldable design allows the bag to be reduced in size to 64 × 40 × 1 cm, so you can easily fit it in your trunk or fishing bag.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
