User Manual

Freewell 2in1 Wide-Angle Lens for FUJI X100VI/X100V

Description

The Freewell 2in1 Macro Wide-Angle Lens is a versatile accessory designed specifically for Fuji X100VI and X100V cameras. It combines wide-angle and macro lenses, allowing for both expansive landscape photography and detailed close-ups from a short distance. Depending on your needs, you can use just the macro lens or attach the additional wide-angle component for even wider shots.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

You must read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer

service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
