5-in-1 Multifunctional Photography Tripod

User Manual

Description

The 5-in-1 multifunctional photography tripod is a versatile solution for photographers, filmmakers, and content creators who expect maximum functionality in one product. Made from 10-layer carbon fiber and aluminum alloy, it offers five operating modes: tripod, monopod, self-standing monopod (thanks to the attachable short base legs), desktop tripod, and trekking pole. With a load capacity of up to 20 kg and a weight of only 1.65 kg, it provides stability even when working with heavy photographic equipment. The adjustable height ranges from 17.5 to 157 cm, the integrated smartphone holder, 360° ball head, and compact dimensions when folded (55 × 7 cm) make the tripod perfect for both studio and travel use.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product from reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specifications:

Manufacturer: Freewell

Model: FW-T2

Material: 10-layer carbon fiber, aluminum alloy

Maximum load capacity: 20 kg

Weight: 1.65 kg

Minimum height: 175 mm

Maximum height: 1570 mm

Length when folded: 550 mm

Diameter when folded: 70 mm

Ball head: 35 mm

Pan rotation: 360°

Head tilt: up to 90°

Leg angle adjustment: 22°, 55°, 85°

Number of leg sections: 3

Quick release plate: Arca-Type, 65 × 38 × 10 mm

Plate thread: 1/4"

Head mounting thread: 3/8"

Smartphone holder range: 52–85 mm
