Freewell Pro SSD Link Adapter

User Manual

Description

The Freewell Pro SSD Link is a compact adapter for M.2 2230 NVMe drives that allows you to expand your smartphone's memory by up to 8 TB and utilize the fast USB 3.2 Gen 2 interface with a bandwidth of up to 10 Gb/s. It is designed for the iPhone 15 Pro and newer models as well as the Samsung Galaxy S25 Ultra, enabling direct recording of 4K ProRes materials to an external SSD. The adapter also offers PD 100 W pass-through charging, a dedicated USB-C port for digital audio, and an intelligent active cooling system, making it suitable for demanding recording sessions. For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specifications:

Manufacturer: Freewell

Model: Pro SSD Link

Product Type: M.2 2230 NVMe SSD adapter

Supported Drives: M.2 2230 NVMe

Maximum Drive Capacity: Up to 8 TB

Data Interface: USB 3.2 Gen 2

Maximum Transfer Speed: Up to 10 Gb/s

Supported Technologies: UASP, TRIM

Recording Support: Direct 4K ProRes recording to SSD

Power Supply: USB-C Power Delivery up to 100 W (pass-through)

Ports: USB-C PD 100 W, USB-C Audio (digital audio only), integrated USB-C connector for data transmission

Cooling: Active fan with aluminum heatsink

Automatic Fan Activation: From 35°C

Mounting: MagSafe with non-slip silicone surface

Compatibility: iPhone 15 Pro and newer models, Samsung Galaxy S25 Ultra

Manufacturer:

Manufacturer: Freewell Industry Company Limited

Address: Unit NO.A222, 3F Hang Fung Industrial Building, Phase 2 NO.2G Hok Yuen Street
Hung Hom, Kowloon, Hong Kong

Environmental Protection

Used electronic equipment marked in accordance with the European Union directive must not be placed together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The system for collecting used equipment complies with locally applicable environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, waste management facility, or the store where the product was purchased. The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning safety, health protection, and environmental protection,

which identify hazards that should be detected and eliminated. Detailed information on the distributor/manufacturer's warranty conditions is available on the website

<https://serwis.innpro.pl/gwarancja>

The product should be regularly maintained (cleaned) by the user or through specialized service points at the user's cost and responsibility. In the absence of information about necessary periodic or service maintenance actions in the user manual, the physical condition of the product should be assessed regularly, at least once a week, to determine any deviation from that of a physically new product. If any deviation is detected or identified, urgent maintenance (cleaning) or service steps should be taken.

Lack of proper maintenance (cleaning) and response upon detection of an abnormal condition may lead to permanent damage to the product. The warranty provider is not responsible for damages resulting from negligence.
