User Manual

Freewell Sherpa True Color VND 1-5 Stop Filter for iPhone 15 Pro/Max, iPhone 14 Pro/Max, iPhone 13 Pro/Max

Description

Designed for Sherpa series cases, the Freewell True Color Variable ND 1-5 Stop filter provides exposure reduction from 1 to 5 stops, allowing for wider aperture settings to achieve a shallower depth of field or motion blur. To change the effect, simply rotate the filter ring. With True Color technology, this filter accurately reproduces colors while being resistant to dust, scratches, and oily stains.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product from further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
