User manual

Set of 5 Freewell M2 Series 77mm Magnetic Filters

Description

Create exceptional shots in impressive quality. The set includes filters such as: ND8/ND64/ND1000/CPL/UV, making them suitable for various situations. Moreover, the lens cap with a convenient handle protects it from contaminants and damage, while the magnetic adapter allows for easy filter attachment. Additionally, you can use the filters separately or combine them, and the dedicated case makes storage easier.

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference.
