User Manual

Freewell Pro CF A/B, SD, TF Memory Card Reader

Description

The Freewell Duo Reader effortlessly reads CF Express A and B cards, UHS-I and II SD, including SDXC, SDHC, and micro SD, catering to a wide range of photography and video recording needs. It also enables data transfer and is compatible with a variety of devices. It allows reading data from 2 cards simultaneously on the selected device.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. The safety instructions contained in the manual must be read and followed.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Model FW-CR02-PRO

Dimensions 143.7 x 57.8 x 26.2 mm

Chip GL3590, ASM2362, GL3231S

Input Voltage DC 5V / 1.5 A

Operating Current 900 mA

Manufacturer:

Freewell Industry Company Limited

Unit NO.A222, 3F Hang Fung Industrial Building, Phase 2 NO.2G Hok Yuen Street

Hung Hom, Kowloon, HongKong

Environmental Protection

Used electronic equipment marked in accordance with the European Union directive must not be disposed of together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The system for collecting used equipment complies with locally applicable environmental regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, waste management facility, or the store where the product was purchased.

The product meets the requirements of the so-called New Approach directives of the European Union (EU) concerning safety, health protection, and environmental protection, identifying hazards that should be detected and eliminated.
