User Manual

Wide-Angle and Macro Lens Freewell for Fuji X100VI/X100V

Description

The Freewell wide-angle and macro lens for Fuji X100VI/X100V is a versatile accessory that combines macro and wide-angle functions, allowing for both detailed close-ups and wide shots. With high-quality optical construction that minimizes distortion and chromatic aberrations, the lens guarantees sharp and clear images in any situation. Weighing only 155 g, it is lightweight and compact, making it an ideal solution for travel. With a magnification of 0.75x for wide frames and 2x for macro, the lens offers versatility and easy mounting with an adapter and a 62 mm filter thread.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Please read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
