User Manual

FunWater Shoulder Strap

Description

The FunWater shoulder strap is a practical accessory that makes it easier to carry an inflatable SUP board and increases comfort while heading to the beach, lake, or river. The length of 150 cm allows you to comfortably adjust the strap to your body shape and the equipment being transported, ensuring that the weight of the board is distributed more evenly across your shoulder. The durable construction makes the strap perfect for everyday use, and the universal black color gives it an aesthetic, versatile look that matches any model of FunWater inflatable board.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
