GARRETT · EAN 786156002814

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

GARRETT Coil Cover 6.5" x 9" (AT & ACE)

Description

The GARRETT coil cover designed for AT and ACE series detectors is a practical accessory that protects the coil surface from mechanical damage, scratches, and wear resulting from use in difficult terrain. The precise fit ensures that the cover does not shift during operation and does not affect the comfort of use or the accuracy of the detector's operation.

Installation is quick and hassle-free, allowing you to head out into the field immediately.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
