

GARRETT ACE Shield

GARRETT · EAN 786156003088

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

GARRETT ACE Cover

Description

The GARRETT ACE Cover is designed to protect the control panel of the detector from dirt, moisture, and mechanical damage. Its transparent window allows for convenient monitoring of settings and readings on the control panel without the need to remove the cover. The cover is made of durable black polyester, and its solid construction ensures that it fits well on the device and effectively protects its components. Thanks to the practical Velcro fastening, the installation of the cover is quick and hassle-free. You can easily adjust it to the detector and remove it just as efficiently if needed, significantly increasing user comfort in the field.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
