User Manual

Garrett Keepers Finds Box

Description

The Garrett Keepers Finds Box is a practical and well-designed solution for any treasure hunter who wants to properly secure their discoveries immediately after extraction. The construction is designed to protect finds from scratches and damage during transport, regardless of the conditions. Inside, there is a special compartment with a foam insert divided into six slots, ideal for storing coins and other small, valuable items. This ensures that even the most valuable items remain in pristine condition.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
