GEEKOM

Seria A A9 MAX

SSD 10

Port USB 3.2 Gen2

Głośnik/słuchawki

Przycisk zasilania/dioda LED

SSD 10

Port USB 3.2 Gen2+PD

2.5G

Port Ethernet

19V

Wejście zasilania elektrycznego

40-pin DP

USB4+DP port

HDMI

Port HDMI

Port USB 2.0

40-pin DP

Wejście USB4+DP+PD

Specyfikacja

Nazwa: Mini-PC GEEKOM A9 Max

Procesor: AMD Ryzen AI 9 HX370

Dysk: SSD 1TB M.2 Gen 4x4

RAM: 32GB DDR5

System operacyjny: WIndows 11 PRO PL/ENG (Pre-instalowany)

Zawartość opakowania

1

2 M.2 SSD

3 1.1 V DDR5

4

Power supply information

Perform the following steps to connect the power supply to the Mini PC:
A. Insert the DC power plug into the DC power socket on the Mini PC.
B. Connect the power cable to the power adapter.
C. Plug the AC adapter into the 100V~240V power outlet.

The power supply may vary depending on the model and region. Detailed information is provided below:
1. 120 W power supply
2. Input voltage: 100-240 V AC
3. Input frequency: 50-60 Hz
4. Output current (power): 6.32 (120W)
5. Output voltage: 19V.

1234567890 Model: Model number: 1234567890 Please refer to the manufacturer's website for additional information and support.  Please ensure that the device is used in accordance with the manufacturer's guidelines to avoid any potential issues.	Information on the device is provided to ensure safety and proper use. Failure to follow these instructions may result in damage to the device or personal injury. Always use the device in accordance with the manufacturer's guidelines. Do not expose the device to extreme temperatures, moisture, or direct sunlight. Ensure that the device is kept away from flammable materials. If the device is damaged, do not attempt to repair it yourself; contact a qualified technician for assistance. Ensure that the device is used in accordance with the manufacturer's guidelines. Temperature: To ensure proper operation, do not expose the device to extreme temperatures or humidity levels. Maintenance: To ensure the longevity of the device, regularly clean it and check for any signs of wear or damage. If any issues are detected, discontinue use and seek professional assistance. Manufacturer: Manufacturer information is provided to ensure proper support and service.	Ensure that the device is used in accordance with the manufacturer's guidelines to avoid any potential issues. Warning: The device may be affected by external factors. Product specifications: The device is designed for regular use and is made from high-quality materials. - Product specifications: The device is designed for use in various environments and conditions. - Ensure that the device is properly maintained and serviced regularly to ensure optimal performance. Ensure that the device is used in accordance with the manufacturer's guidelines to avoid any potential issues. - The device complies with safety regulations and standards to ensure user safety. - Regular maintenance is required to ensure optimal performance.
