

Instruction Manual

Description

The LiberNovo StepSync for OC1-SE is an ergonomic footrest designed specifically for the LiberNovo OC1-SE chair to enhance comfort during prolonged desk work and rest. The ergonomic 10° incline supports correct leg positioning and improves circulation, helping to reduce fatigue. Two adjustable height settings enable the footrest to accommodate users with heights ranging from 153 to 185 cm, and its compatibility with chair recline angles up to 160° ensures comfort during both work and relaxation. **Use in accordance with the intended purpose**

For safety and certification reasons, the product must not be modified or altered in any way. Use of the product for purposes other than those described may result in damage. Moreover, improper use may create hazards. Read the operating instructions thoroughly and retain them for future reference. Safety instructions contained in this manual must be read and strictly adhered to.

1. This product is not a toy. Keep this product out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, intense vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (for example, if the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent further use.
5. The product should be handled with care. Shocks, impacts, or dropping of the product may cause damage.
6. If there are any uncertainties regarding operation or safety, please consult a qualified specialist.
7. If you have any questions that are not answered in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another specialist.

Specification:
