LiberNovo · EAN 6978343440804

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

LiberNovo A-10 Wheels

User Manual

Description

The A-10 wheels with a double rubber construction and a diameter of 7.5 cm ensure smooth, quiet movement of the LiberNovo chair across various types of floors and allow for traversing even thick carpets. The soft polyurethane layer protects surfaces from scratches. A maximum load of up to 318 kg and tool-free installation make replacement quick, and the comfort of use is felt from the very first moment.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another specialist.
