Eye Mask LiberNovo 3D

User Manual

Description

The LiberNovo 3D eye mask effectively blocks light, providing comfortable conditions for rest at home, in the office, and during travel. The ergonomic 3D profile with adaptive air cushions conforms to the shape of the face, creating complete darkness without applying pressure on the areas around the eyes and nose. Weighing only 27.25 g and featuring an adjustable strap suitable for head circumferences from 40 to 70 cm, it guarantees comfort even during prolonged use.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions included in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
