Liene · EAN 6971398601404

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Printer Paper Liene Pearl 2x3", 50 sheets

Description

Liene Pearl photo paper has been specially designed for printers in the Pearl series.

It works perfectly with the Liene Pearl mini printer, providing optimal printing parameters and full

utilization of the device's capabilities. In combination with the dedicated Liene app, you can further

personalize your photos using filters, frames, and image enhancement features. This is a complete

solution for those who want to create and print photos in one cohesive ecosystem.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way.

If the

product is used for purposes other than those described, it may be damaged. Furthermore, improper

use may pose hazards. Please read the user manual carefully and keep it for future reference. It is

important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.

7. If you have any questions not answered in this manual, please contact our customer service

office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
