Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Liene Amber 4x6" Printer Paper, 80 sheets

Description

Liene Amber 4x6" photo paper is a set of 80 sheets and 2 cartridges that guarantees perfect prints in professional quality of 300 DPI. Each cartridge is sufficient for 40 photos, ensuring that the amount of ink is perfectly matched to the number of sheets. The glossy finish, vibrant colors, and four-layer dye-sublimation technology ensure that photographs retain depth of color and high detail, while an additional protective layer safeguards them against water, fingerprints, and fading.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
