User Manual

Liene Amber 3x3" Self-Adhesive Photo Paper 40 Sheets + 1 Cartridge

Description

Liene Amber 3x3" self-adhesive photo paper is a complete set for convenient photo printing at home, designed for Liene Amber M110 and M210 printers. The package includes 40 sheets measuring 7.7 × 7.7 cm and a cartridge, allowing you to start working immediately without additional purchases. The paper uses thermal sublimation technology with multi-layer color application (Cyan, Magenta, Yellow, and a protective layer), ensuring sharp images and well-reproduced colors. Additionally, the self-adhesive surface allows for quick attachment of finished prints, and printing is done wirelessly via Bluetooth from the dedicated app, which also allows for photo editing before printing.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer

service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
