Neakasa PooGuard Waste Container (White)

User Manual

Description

Neakasa PooGuard is a practical pet waste disposal system that helps maintain cleanliness and freshness around the litter box and in other areas designated for pets. With a capacity of 9.2 liters, it can store waste for up to 10 days for one cat, reducing the need for frequent emptying of the container. Its compact design, measuring 40.9 × 22.4 × 18.3 cm, allows the device to fit easily in a bathroom, kitchen, or living room.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may damage the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
