Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Niimbot T50*70-110 Thermal Stickers

Description

Niimbot thermal stickers are universal self-adhesive labels measuring 50 × 70 mm, ideal for creating clear markings in the office, warehouse, store, or logistics. Thanks to thermal printing technology, they do not require ink or toner, which translates into savings and convenience of use. The smooth surface ensures a clear and durable print, while the strong adhesive provides reliable adhesion to various surfaces. The roll contains 110 labels, making it a practical solution for everyday use. The labels are compatible with Niimbot devices B31, B21, B21 pro, and B4.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
