User Manual

Niimbot T100*100-75 Thermal Stickers

Description

Niimbot T100*100-75 thermal stickers in white are large, square self-adhesive labels measuring 100 × 100 mm, which are perfect for logistics, warehouses, retail, and office use. Thanks to thermal printing technology, they do not require ink or toner, providing savings and convenience of use. The smooth surface allows for clear, abrasion-resistant printing, and the strong adhesive ensures durable attachment to various surfaces. The roll contains 75 labels, making them a practical solution for everyday applications. The labels are compatible with the Niimbot B4 device.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.
