User Manual

Carry Pouch for OBDeleven Diagnostic Interface

Description

This practical pouch allows for safe and convenient storage of the OBDeleven diagnostic interface. It is made from soft and lightweight material, and due to its small dimensions, it easily fits in a pocket or car glove compartment. You can therefore have the necessary equipment always at hand! Moreover, the case protects the device from dust, dirt, scratches, and moisture – helping to keep it in excellent condition for longer.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may damage the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
