Safety Instructions

1. **Read Before Use:** Before using the clippers, read all safety and operating instructions.

2. **Electrical Safety:** Ensure that the voltage indicated on the rating label matches your electrical outlet. Do not immerse the appliance in water or any other liquids to avoid electric shock.

WARNING: Keep the appliance dry.

3. **Supervision:** This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.

4. **Regular Checks:** Periodically check the clippers for damage. If the appliance or power cord shows any sign of damage, do not use it. Contact the service center for repair or replacement.

5. **Regular Maintenance:** Disconnect the clippers from the power source before cleaning, changing accessories, or performing any maintenance. Keep the blades clean and well-oiled to avoid overheating and ensure optimal performance. Replace blades as needed.

WARNING: Cutting blades may become hot after prolonged use.

6. **Storage:** After use, unplug and store the clipper in a dry place, away from pets and children.

7. **Handling:** Avoid touching the blades directly with your fingers. Always switch off the appliance when not in active use.

8. **Use for Intended Purpose:** These clippers are designed for trimming pet hair only. Do not use them for any other purpose.

9. **Disposal:** Dispose of the clipper and its accessories according to local regulations for electronic waste.

Stainless Steel Comb

Red-3mm
(1/8 in)

Blue-10mm
(3/8 in)

Yellow-16mm
(5/8 in)

Purple-25mm
(1 in)

Upgraded Limit Comb User's Guide:

Limit comb is made of stainless steel for durability. Comfortable and firm fit. Unobstructed smooth tip is safer than other combs. Color-coded combs provide a quick visual reference

- (1) Red 3mm 1/8" Cut Length: Ideal for a close cut length, yet gentle on the pet's skin.
- (2) Dark Blue 10mm 3/8" Cut Length: Ideal cut length for a softer, more blended finish.
- (3) Yellow 16mm 5/8" Cut Length: Ideal cut length when a longer coat is desired. Great for body clipping, leaving a fuller length.
- (4) Light Blue 25mm 1" Cut Length: Ideal cut length when a longer coat is desired. Perfect for double and fluffy coats leaving a longer natural finish.

Using Methods

1. Press the power, the display light up.

2. Fine-tune the cutter Adjust the cutter by rotating the taper lever from forward.

3. Travel lock function

Press and hold the switch for 3 seconds, the product is locked, and the red indicator light flashes for 3 seconds; Press and hold the switch for 3 seconds while the red indicator light flashes for 3 seconds, the product is turned on.

4. Cleaning & Maintenance

Every 60 minutes of use, the oil bottle symbol on the display flashes to indicate Add lubricating oil.

5. How to install the comb

- (1) Slide the slot of the comb down until it catches the blade
- (2) Slightly break the clip of the comb outward.
- (3) Press the comb down slightly until you hear a "click" sound.

6. Remove the comb:

- (1) Break the clasp of the comb outward to separate the comb from the blades.
- (2) Slide the comb upwards to remove it.

Attention:

Please do not use excessive force, which may cause the snap of the comb to break.

Tips

1. To ensure the normal operation of the blade, please do not disassemble the cutter head!
2. To clean the blade you can use the matching brush to gently sweep away the excess hair.
3. It can be washed under the faucet.
4. After rinsing, please wipe clean with a dry cloth.
5. Drip matching lubricating oil on the blade.
6. After maintenance, put the protective cover on the cutter head to protect the cutter head.
