Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Filters for Oneisall PW04 Fountain/Water Dispenser (6 pcs)

Description

The filter set dedicated to Oneisall PW04 provides effective filtration, eliminating hair, dust, and other impurities from the water. The multi-layer filtration system with activated carbon removes contaminants, improving the taste and smell of the water, which encourages the cat to drink more frequently and supports its health. The filters are easy to install; simply rinse them with water for 5 minutes. The product is not compatible with the wired model PW03, so it is advisable to ensure you have the correct fountain before purchasing.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another

specialist.
