User manual

Replaceable filters for the PetKit Pura Air scent absorber

Description

Get rid of unpleasant odors once and for all! The polymer filters are dedicated to the intelligent scent absorber Pura Air from PetKit. They are made using extracts from approximately 20 plants, effectively absorbing unpleasant odors and breaking down their molecules, as well as preventing the growth of bacteria. To maintain the effective operation of the device, filters should be replaced approximately every 3 months.

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may damage the product. In addition, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety usage instructions

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
