Brush / Furminator for Dogs and Cats Petkit

User Manual

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way.

If the product is used for purposes other than those described, it may be damaged.

Furthermore, improper use may pose hazards.

Safety Instructions for Use

You must read and follow the safety instructions contained in this manual.

1. The product is not a toy. Keep it out of reach of children and animals.
2. Protect the product from extreme temperatures, strong vibrations, high humidity, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation or safety of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office or another specialist.

Petkit Brush for Dogs and Cats

The PetKit brush will help you take care of your pet's fur. It is equipped with metal, flexible pins with rounded ends, allowing for safe grooming. Moreover, you won't waste time on laborious cleaning – the product has a large button that makes it easy to remove the collected fur. Additionally, the brush is universal and works well for cats and dogs of any breed.

Remove Fur with One Button

Cleaning the brush is easier than you think. The large button located on the handle allows for easy removal of the accumulated fur. You no longer have to waste time on tedious brush

cleaning – just press the button, and you're done!

Dimensions: 19 x 8.5 x 6.2 cm

Intended for: cats and dogs
