

Petkit Eversweet Ασύρματη αντλία νερού FFT1 (UVC)

αντλία φίλτρου για ποτίστρες

Petkit · EAN 6975069301846

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Filtration Pump for Petkit Eversweet Wireless Water Pump FFT1 (UVC)

Description

Take care of your pet's health with the innovative sterilization technology in the Petkit Eversweet FFT1 pump. The ultraviolet light emitted by the device eliminates up to 99.96% of harmful bacteria, such as Escherichia coli, effectively purifying the water. This reliable solution guarantees hygienic conditions and safe drinking water every day.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
