User Manual

Supplementary Ring for Waste Bags for Petkit Purobot LITTER 3 pcs.

Description

The waste bags for the Petkit litter box have been designed to provide the most convenient process of automatic waste packing. Thanks to the seamless roll and special supplementary ring, even in the case of an overfilled container, the bags automatically expand, ensuring a tight seal with each use.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
