USER MANUAL

DOCKSTREAM Smart Fountain

Please read this manual before using the product and keep it for future reference. Alternatively, open the PETLIBRO app and go to **DEVICE SETTINGS >** Instructions for the digital manual and instructional video.

LEGAL DISCLAIMER NOTICE

This legal disclaimer applies to purchasers and users of products manufactured by or on behalf of Shenzhen Libro Technology Co., Ltd. and its affiliates (collectively, “Petlibro”).

Unless otherwise expressly indicated in writing, Petlibro’ s products and instructions relating thereto are subject to change without notice. Users should check for and obtain the latest relevant information and verify that such information is current and complete before placing orders for Petlibro products.

Unless Petlibro has explicitly designated an individual Petlibro product as meeting the requirements of a particular industry standard or a particular qualification, Petlibro is not responsible for any failure of an individual Petlibro product to meet the requirements of such industry standard or particular qualification.

The purchasers and users of Petlibro product are recommended to check the product label or USER MANUAL prior to using any of our products. If there are any discrepancies customers should follow the information provided in the product or packaging. You should contact the manufacturer directly for any clarification relating to the product and recommended use. Unless expressly and specifically approved in writing by Petlibro on a case- by-case basis, use of any Petlibro products in unauthorized applications might not be safe and thus is at the user’ s sole risk.

To the maximum extent permitted by applicable law, Petlibro disclaims (i) any and all liability for special, punitive, consequential, incidental or indirect damages or lost revenues or lost profits, and (ii) any and all implied warranties, including implied warranties of fitness for particular purpose, non-infringement and merchantability.

Safety Instructions

- Use the fountain in a dry place.
- Use the fountain on a level surface.
- Dispose of all packaging materials properly. Some items may be packed in plastic bags; these bags could cause suffocation. Keep them away from children and pets.
- Do not use the water fountain with pets that are not able to reach the water tray or with any physical disability.
- Do not immerse the base part in water at any time as it may damage electronic components.
- Do not use the fountain outdoors. Check its operation frequently to be sure it is operating properly.
- Do not disassemble the fountain other than as instructed in this user manual.
- Only use accessories recommended or sold by the manufacturer. The use of accessories not recommended or sold by the manufacturer may cause an unsafe condition.
- Do not modify the fountain.
- Examine the fountain after installation. Do not plug in if there is water on the power cable or plug.
- To avoid tripping, always position the power cable out of the way of foot traffic.
- Do not install or store the fountain where it will be exposed to weather or temperatures below 0°C (32°F).
- Do not use the fountain without adding water first.
- Power off the device when it's not in use.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
- The appliance is only to be used with the power supply unit provided with the appliance.
- If the cord set is damaged, it must be replaced by a special cord set available from the manufacturer or its service agent.

External Power Supply

Only to be used with the power supply unit provided with the appliance.

Button

Reset button

Button	Operation Status
 Reset	After the fountain is connected to Wi-Fi, press and hold for six seconds to reset Wi-Fi settings. The fountain will enter network configuration mode.

Getting Started

Installation

1. Soak the filter in a clean bowl of water for five minutes, then rinse the filter thoroughly with tap water.

2. Install the water fountain and filter.

Note: Scan the QR code above to watch the video for product installation and cleaning.

Power on

Connect the fountain to a wall outlet with the power adapter and power cable.

Please route the cable through one of the cable slots on the bottom of the fountain for accurate water level monitoring.

Power off

Unplug the cable from the outlet.

App Control

1. Download and install the PETLIBRO app.

2. Follow the instructions to configure the network.

Specifications

Model	PLWF105
