

Φίλτρο για τον διανομέα νερού Petlibro Capsule (8 τεμ.)

Petlibro · EAN 0754932368645

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

Filter for Capsule Petlibro Water Dispenser (8 pcs)

User Manual

Description

The filter for the Capsule Petlibro water dispenser effectively cleans the water from hair, odors, and heavy metals thanks to the combination of cotton, activated carbon, and ion-exchange resin. This multi-layer filtration improves not only the clarity but also the taste of the water, which directly translates to a greater willingness to drink for your pet. Better hydration supports the daily functioning of the body and may reduce the risk of urinary tract problems.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may damage the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
