Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

Carbon filter for Petlibro Luma litter box

User manual

Description

The carbon filter for the Petlibro Luma litter box is a replaceable insert designed for effective odor neutralization, equipped with active carbon and a filter layer made of nonwoven fabric, which cleans the air of unpleasant odors, hair, and fine contaminants; it fits into the dedicated cartridge in the Luma litter box, is easy to install, and provides 30–90 days of operation depending on usage intensity and the number of cats.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product to prevent reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
